## DIRECTING & RE-DIRECTING ALL GLORY TO GOD

Isaac  
Oyedepo

Sound understanding of biblical principles and mysteries creates the platform for outstanding Christianity. As Christians, our experiences defer on earth by (the level of) our understanding, so lack of understanding can make a believer (a redeemed child of God) suffer the same things that unbelievers suffer. 1 John 5:12, Ecclesiastes 5:9.

According to Proverbs 21:16, it is the man that has no understanding that dwells in the congregation of the dead; though he be a Christian, he still suffers like an unbeliever/sinner. Although such a man without understanding is laboring hard, yet there would be no results to show. As children of God, we should be in the congregation of the living (by understanding) because we have Jesus who is the way, the truth and the life.

Also, Understanding is the key to noiseless breakthroughs. When light breaks forth, you don't hear noise so

you don't need noise to make news, you need understanding to make news. Please note that it is not the size of your bible that determines the depth of your understanding and without an understanding heart, you cannot get your outstanding part. The profit of the earth is for all but it is not shared equally, it is shared according to each man's level of understanding. Life is only fair to those who have understanding. Deuteronomy 5:24, Lamentation 3:37

Understanding the power of thanksgiving is extremely key to offering acceptable thanks and genuinely experiencing the benefits thereof. One key truth about thanksgiving is this: *It is not just the tip of our tongues that must be engaged in thanksgiving but the whole of our heart.* Just like complaining begins in the heart, before any complaint is uttered, it must have been thought of, also, thanksgiving begins from the heart. Isaiah 42:8, Romans 11:36, Daniel 4:33

Another key truth about thanksgiving is that *the Glory (of God) must not be touched, stolen, trashed or tampered with but we must return, ascribed and direct all the glory back to God.* The glory of God is "For Him (God), through Him (God) and to Him (God) alone". Tampering with God's glory is a risk as was demonstrated with king Nebuchadnezzar. If God knows that you will not share His glory, then He will lavish all but if God sees you as a competitor, then you are at risk.

### What is thanksgiving?

1) *Thanksgiving is acknowledging and re-acknowledging God as the one behind all the wonders in our lives.* This means thanking God and keep thanking Him again; even if we have thanked Him enough, we must keep thanking Him again and again. God is the only doer of these great things, He would have done it whether any man was there or not. God's glory is like His title; when God is mighty in our midst and we keep His glory, then He will get offended. Zephaniah 3:17, Isaiah 42:8.

# Understanding The Power Of Thanksgiving- Part 2a & b

Pst. Isaac Oyedepo

2) Thanksgiving is directing and redirecting the glory to God; thanksgiving is never once and for all, thanksgiving is once and again. It is dangerous to keep or receive glory that is meant for God. To keep God's glory means that we do not give God the glory that is due to Him, whereas, to receive God's glory happens when people hail you for something that God has used you to do in their lives and you attribute the doing to yourself instead of to God. King Herold, received God's glory and God was angry with Him. When people point at you, point them to God. Acts 12:22-23.

3) Publicizing and publishing the glorious acts of God; Make God's doings in your life public, don't just thank God in the secret, let everyone know that God is the doer of the great happenings in your life. Psalm 68:11, Mark 13:10

4) Establishing and re-establishing God as the foundation upon which you have received the blessing. James 1:17, 1 Corinthians 4:7.

5) Remembering and ascribing all glory to God, withholding nothing. If you want God to keep using you, let every man continue to see God through you. Psalm 103:1-5, Deuteronomy 32:3.

**What are we thanking God for as a commission?**

1) The continuous increase of this church; the living faith church is growing supernaturally across the world and no man is the doer but God is the reason behind the growth. (Matthew 16:18, 1 Corinthians 3:6).

2) The amazing supplies that God grants every winners' church whereby every winners' church is never poor even in the villages; therefore, for all the provisions we continue to enjoy for which we can't give explanation to the reason why God chooses to decorate us with it, we thank him. God is our Jehovah Jireh; always providing, never in need, never in lack and never in want. We are seeing the glory of the latter house;

prosperity that cannot be explained yet cannot be denied, therefore we must quickly return all the glory to God so that the supply line can remain open. (Haggai 2:3-9).

3) For always confirming all the prophetic word in our midst: The confirmation of these prophetic word keeps impacting, liberating and transforming, therefore we must keep returning the glory to God. (Isaiah 44:26, Lamentations 3:37).

4) For always answering our prayers: Our prayers are not answered because of the length of our prayer, therefore we must keep giving the glory to God. (Jeremiah 33:3).

## Thanksgiving- Access to fresh oil

By this mystery of the anointing oil, God is putting upon us fresh oil. Therefore, everything stale that seems to be dwindling down in your life will spring back up by the release of fresh oil upon you, in Jesus name. Psalm 92:1,2, 10.

## What is in fresh oil?

1) (Isaiah 12:3) There is fresh revelation in fresh oil. Stale revelation keeps a church or a man in the same level without moving forward.

2) (Matthew 5:14, 2 Chronicles 26: 1-15) Fresh oil releases fresh creativity. What is creativity? this is doing usual things in an unusual way.

3) (Psalm 89: 19-21) Fresh oil provides fresh defense; when you become creative, you will draw displeasure of some people therefore fresh defense is required.

## In conclusion

1 Corinthians 10:10, Numbers 11:1  
It is important that we repent for every form of complaints or murmuring we have done in the year 2019 to keep God from being offended at us. The bible tells us that the end of a murmurer is destruction.

## Quotes:

- It is understanding that creates the platform for outstanding Christianity.
- Without an understanding heart, you cannot get your outstanding part.
- You don't need noise to make news, you need sense to make news.
- It is not the tip of our tongues that must be engaged in thanksgiving but the whole of our heart; complaining begins in the heart so also does acceptable thanksgiving.
- The glory (of God) must not be touched, trashed or tampered with, tampering with God's glory is a risk.

# Understanding Faith As A Master Key To A World Of No Limits

Shiloh 2019(Breaking Limits): Day 1 Encounter Night Service (End)

Bishop David Oyedepo

**W**e have a responsibility to certify our salvation by biblical proofs; are the proofs of redemption

obtainable in my life? At salvation or when you are born again, you are born into a supernatural world. You are not reformed but you are transformed, you are translated from the kingdom of darkness to the kingdom of light – the kingdom of God's dear son. New birth is not conforming to a particular thing, it is experiencing a transformation and a translation from the kingdom of darkness to the kingdom of God's own dear son. You can't practice new birth; it is an experience. **New birth is mandatory to qualify for the engagement of the weapon of faith**

a) The fruits of the new born spirit **include love** (Galatians 5:22, 1 John 4:16, Revelation 2:4) When you are born again, your heart naturally goes after God, if it is not then, that is something to check out or investigate. **The**

**love of a believer for God is called the first love**, this is the first thing that happens when you become born again. Do I love my brethren? Do I love the kingdom of God?

b) **Another proof of new birth is; your love for righteousness comes alive** (Psalm 45:7; 7:11). Jesus loves righteousness and hates wickedness, if you love wickedness, you hate righteousness. If you don't love righteousness, you are not saved!

c) **You experience Supernatural joy** (1 Peter 1:8, Galatians 5:2, 1 John 3:7, 1 Corinthians 10:12).

Every true child of God is difficult to make depressed. When you become saved, joy unspeakable is one of the vital proofs of your salvation because the joy of the word of God lives in you. Be careful of ungodly doctrines – **once saved is not always saved**; you need to consciously do righteousness to remain righteous.

d) **You will experience the peace of God that passes all understanding** (John 14:27, Galatians 5:22, Isaiah 9:6,

Philippians 4:7)

Peace is one of the vital proofs of redemption. This is because Jesus who is the prince of peace now lives in you.

It takes you experiencing these things; a clear love for God and your fellow brethren, love for righteousness, supernatural joy and peace beyond understanding to guarantee you that your salvation is current. These are the fundamental proofs of our salvation in Christ Jesus.

e) **Your spiritual understanding comes alive and the bible is not hard to understand** (Mark 4:11, Proverbs 20:16).

You may be informed but not have revelation; revelation begins at new birth; new birth enhances our access to spiritual

understanding. Matthew 1:21, 1 John 3:8, John 10:10, Isaiah 53:5, Revelation 3:20. Jesus was sent to save people from their sins; when a person's salvation is certified, these virtues begins to manifest.

## MIGHTY ACT

CHRISTMAS PRODUCTION, 22ND DECEMBER 2019

## VIENNA O. Divine Healing & Guidance

I've been having issues with my eyes, and last week Sunday, Pastor Isaac started talking about the eyes. He kept talking about brand new eyes. I keyed into it because there was a night I was coming back from work and I didn't know I was driving on the on-coming lane without knowing and on-coming cars were moving away from me. But I later realized this after a while. It also happened during this winter season, the whole place is dark, I almost knocked down a deer on my way from work. So on Monday, I went to work, and realized that there was no incident, I could see bright and far. Then as I kept driving, I realized God has healed me, and I have to come today to testify to the glory of the Lord. My second testimony is about my son. When he was 9 years old, he told me that he wanted to be a soldier and to be arresting people, and I told him he cannot be a soldier. My son now called me years ago that he joined the military. I told God to take him out and I don't want it because I know what always happens to people who are in the army. To the glory of God, God has kept him, God answered all my prayers, and now he's a sergeant.

## NADINE J. Healing

I had a lump about the size of a quarter on my side for last 8 months and was believing God for healing. I refused to go to the doctor because the Lord had healed me of so many things and this one had to go, too. Last Sunday, Pastor declared none of the diseases of Egypt will follow us. I said, this thing will not go into the new year with me. I said, satan, pack your load now and go. I plugged into the declaration of our father in the house. By the time I got home, the lump had come to half. I was rejoicing. By Tuesday, it was gone. I had also been going through a series of interviews during a hiring freeze, but God exempted me. They hired

## EKPERE M. Career Breakthrough

I am here to give God glory for taking me to another level in my career. I was offered a job immediately at a job fair. God also promoted me to a manager, and I have three jobs from which to choose the best. I know God is here, it's only God. Since I came here, God has shown me that it's time to move forward.

## ADENIYI B. Divine Favor

I was looking for an internship for last summer. I met with Pastor Isaac and two days later I got an internship in the most competitive program at Texas Medical Center. I was one of the only two black boys, and it was a big deal. My research went well, and I will be going back next summer.

## ELDER JUDGE & SISTER GRACE O. Divine Intervention

Indeed our God is good. I gave God my word that if He does this good thing for us, we will come and testify. God is good. My contract with the government was running and since June I was trying to get a new contract because this one ends on November 15th. I was praying and believing God and doing all the things they said we should do here. I went to the pastor who prayed for me and said there will be no gap and before that day you will get a job. I stood on that word. The Lord also told me in my spirit that the Pastor is your word now. You need to make sure he is okay financially and God gave me a particular amount, and I was obedient to that. The Lord has actually now given me a miracle job. Our 10 Months a Decade testimony has arrived.

## TEDDY PIERRE L. Birthday & Thanksgiving

I give God the glory today because it is my birthday and I came from a lot of challenges. I came from Miami and have been in this

*They Triumphed over him by the blood of the lamb and by the word of their testimony. Revelations 12:11a*

commission since March this year. I took the BCC, LCC, LDC Bible classes and was baptized. I did not know much about the Holy Spirit. I was bewitched and I lost my vision and been through things. My vision is starting to come forth. My faith has to be strong. God is going to make me see again. Also, I have to thank Pastor Isaac because when I came here, he showed me a lot of love and taught me a lot. This was like military school for me. I rap for God now. Pastor Isaac said if you're in God, you don't stay in your past anymore. I created a song called I'm a Winner. I will shoot the video in Miami in April. All the glory goes to God. I have been struggling financially for a while and God just blessed me with a car.

## IVY B. Divine Favor

I was told about 7 years ago that I had an eye challenge and chances of vision was very low and I lost vision due to the glaucoma, and lenses can't bring back the vision. If they did surgery on one eye, chance of success was 50/50. I said I will leave it to God. Then Pastor Isaac kept mentioning eye defects anytime he is ministering for healing and he was mentioning specifically what applied to me. I went back to the hospital and they said the same situation. I then went back to meet Pastor Isaac and he said, Go and I'm waiting for a testimony. I was afraid to do the surgery but it was successful to the glory of God. My medical bills were covered even though I did not have insurance. Also, I haven't been working due to the eye defect, but I have rent bills to pay, then a sister payed some money for it. When I heard the 10 Months a Decade testimonies of other people in church, I screamed and thank God, believing that he would do it for me. After the first service, a couple gave me a check and when I looked, I realized it was for two months of my rent. I want to thank God and I appreciate everybody.
